[Verse 1]

          | **D/C**                    **G/B**                    | **Gm/Bb**                    **D/A**                    |  
Come down off your throne and leave your body a-lone\_\_  
| **F**    **G**                    | **D**                    |  
  some-body must change

| **D/C**                    **G/B**                    | **Gm/Bb**                    **D/A**                    |  
  You are the reason I've been waiting so long  
| **F**    **G**                    | **D**                    |  
  some-body holds the key

[Chorus]

          || **G/B**                    | **A7**                    | **D**                    |  
Well, I'm        near the end and I        just ain't got the time.  
| **Em7**                    | **G**                    **D/F#** **Em** | **D**                    ||  
  And I'm wasted and I        can't find my        way home
