Key = Bm/D

Hello? (Hello? Hello?) Is there anybody in there?
Just nod if you can hear me
Is there anyone at home?

Come on now
I hear you're feeling down
Well I can ease your pain
Get you on your feet again

Relax (Relax Relax) I'll need some information first
Just the basic facts
Can you show me where it hurts?

There is no pain you are receding
A distant ship smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying

When I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again
I can't explain you would not understand
This is not how I am
I have become comfortably numb

Instrumental

I have become comfortably numb

Okay (Okay Okay) Just a little pinprick
There'll be no more, (scream)
But you may feel a little sick
Can you stand up (stand up, stand up)?
I do believe it's working, good
That'll keep you going through the show
Come on it's time to go

There is no pain you are receding
A distant ship, smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying

When I was a child
I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown, The dream is gone

I have become comfortably numb
