Key = A

If there's one thing in my life that's missing  
It's the time that I spend alone  
Sailing on the cool and bright clear water

There's lots of you friendly people  
They're showing me ways to go  
And I never want to lose their inspiration

Time for a cool change  
I know that it's time for a cool change  
And now that my life is so prearranged  
I know that it's time for a cool change

Well, I was born in the sign of water  
And it's there that I feel my best  
The albatross and the whales, they are my brothers

It's kind of a special feeling  
When you're out on the sea alone  
Staring at the full moon like a lover

Time for a cool change  
I know that it's time for a cool change  
Now that my life is so prearranged  
I know that it's time for a cool change

Well I've never been romantic  
And sometimes I don't care  
I know it may sound selfish  
But let me breathe the air  
Yeah, yeah

If there's one thing in my life that's missing  
It's the time that I spend alone  
Sailing on the cool and bright clear water

It's kind of a special feeling  
When out on the sea alone  
Staring at the full moon like a lover

Time for a cool change  
Time for a cool change  
Now that my life is so prearranged  
Well I know, I know, I know it's time for a cool, cool change
