Key = Dm - Ally sings, LP harmony

**Dm** I dreamed of the **F** day when I'd hold you in my **C** arms again  
Read you all the letters I **G/B** wrote but never sent

**Dm** Give you all the **F** pieces of me  
To put 'em back **C** together

Put them back together **G/B** again

**Dm** Life has a way of **F** writing your story for you  
And the hero **C** doesn't always **G/B** get his girl

**Dm** What if you could **F** change the ending to the novel they been **C**  
writing

Leave no **G/B** resolution

**Dm** So, Goodbye **F** Carolina, **Dm** searched my whole life to **F** find you

**Dm** I hate to leave you but I **F** hope you'll know

Where I'm going I'll be **C** seeing you

**Dm** So hold my hand as I'm **F** leaving

**Dm** Hoped my pain would be enough **F** reason

**Dm** I'll see you on the other side of the **F** Blue Ridge sky

But now I'm **C** going Hate to tell you **G/B** goodbye

[Bridge] **Dm F Dm F**

**Dm** Say it takes a selfish man **F** to leave on out from his old  
hometown **C**

Without saying why **G/B** he's going

**Dm** But you can come take the **F** rest of me

Early in the **C** morning

Tell me your **G/B** goodbyes

**Dm** Where I'm going I won't **F** have these reminders of what I **C** lost

What was taken **G/B** away from me

**Dm** And I hope you'll **F** understand I was a broken man in my own **C**  
hometown

Need to find my own **G/B** peace

**Dm** So, Goodbye **F** Carolina, **Dm** searched my whole life to **F** find you  
**Dm** I hate to leave you but I **F** hope you'll know  
Where I'm going I'll be **C** seeing you  
**Dm** So hold my hand as I'm **F** leaving  
**Dm** Hoped my pain would be enough **F** reason  
**Dm** I'll see you on the other side of the **F** Blue Ridge sky  
But now I'm **C** going Hate to tell you **G/B** goodbye
