Key = Em/G

I see the crystal raindrops fall, And the beauty of it all
Is when the sun comes shining through
To make those rainbows in my mind, When I think of you sometime
And I wanna spend some time with you

Just the two of us, We can make it if we try
Just the two of us, (Just the two of us)
Just the two of us, Building castles in the sky
Just the two of us, You and I

We look for love, no time for tears, Wasted water's all that is
And it don't make no flowers grow
Good things might come to those who wait, Not for those who wait too late
We gotta go for all we know

Just the two of us, We can make it if we try
Just the two of us, (Just the two of us)
Just the two of us, Building them castles in the sky
Just the two of us, You and I

Instrumental section

I hear the crystal raindrops fall, On the window down the hall
And it becomes the morning dew
And darling when the morning comes, And I see the morning sun
I wanna be the one with you

Just the two of us, We can make it if we try
Just the two of us, (Just the two of us)
Just the two of us, Building big castles way up high

Just the two of us, You and I
(Just the two of us)
(We can make it, just the two of us)
(Just the two of us)
