Key = G

Nobody knows what I'm doing here
And I ain't got a clue
Messing around with these other fools
When I'm not with you

There's been so many nights
When I've longed for your touch
There's been so many days
When our love was not enough

Oh, leave me
Just leave me, leave me
Can't you see me?
See me-

Nobody knows what I'm doing here
And I ain't got a clue
Messing around with these other fools
When I'm not with you

There's been so many nights
When I've longed for your touch
There's been so many days
When our love was not enough

Oh, leave me
Just leave me, leave me
Can't you see me?
See me-

Nobody knows what I'm doing here
And I ain't got a clue

Messing around with these other fools
When I'm not-
When I'm not-
When I'm not, oh

Nobody knows what I'm doing here
And I, I ain't got a clue
Messing around with these other fools
When I'm not with you
When I'm not with you
