Fiddle intro on G

G I don't want your lonely mansion  
With a C tear in every room.  
C All I want's the love you G promised  
Beneath the haloed F moon. D7  
But you G think I should be happy  
With your C money and your name  
G And hide myself in sorrow  
While you D7 play your cheating game. G

Silver C threads and golden needles  
Cannot G mend this heart of mine.  
G And I dare not drown my sorrow  
In the warm glow of your F wine. D7  
You can't G buy my love with money  
Cause I C never was that kind.  
Silver C threads and golden needles G  
Cannot D7 mend this heart of mine. G
