Intro: E G#m Gm F#m B7 (twice)

E So you think it's funny
That you keep G#m calling me all of the Gm F#m time every B7 day
E Oh, honey, don't want to be G#m following
And Gm F#m falling behind if you're gonna be B7 walking away
Am And I don't know B7 why I wouldn't E follow, wouldn't Am follow B7

Chorus

E You got me looking A up even when I'm falling F#m down
You got me crawling C7 out of my B7 skin
E You got me wondering A why I am underneath this F#m big old sky
C7 Stopping the B7 loving getting E in

E Now you say it's E easy
That you been G#m falling for all of my Gm F#m charm
And getting B7 lost in my smile
E Never ceases to G#m amaze me
When I'm chancing my Gm F#m arm
And I still B7 do it with style
Am And now I B7 hope you'll be with me E tomorrow with me Am tomorrow B7

E You got me looking A up even when I'm falling F#m down
You got me crawling C7 out of my B7 skin
E You got me wondering A why I am underneath this F#m big old sky
C7 Stopping the B7 loving getting E in
Stopping the loving getting in
Oh yes, I'm stopping the loving getting in
Do-do, do-a-do-a-do-dee-do
Do-do, do-a-do-a-do-dee-do, oh
The love, the love now
Yeah, yeah, Whoa whoa

E You got me looking A up even when I'm falling F#m down
You got me crawling C7 out of my B7 skin
E You got me wondering A why I am underneath this F#m big old sky
C7 Stopping the B7 loving getting E in
