Key = C

She'll lie and steal and cheat, And beg you from her knees
Make you think she means it this time
She'll tear a hole in you, the one you can't repair
But I still love her, I don't really care

When we were young, Oh oh, we did enough
When it got cold, Ooh ooh, we bundled up
I can't be told, Ah ah it can't be done

It's better to feel pain, than nothing at all,
The opposite of love's indifference
So pay attention now, I'm standing on your porch screaming out
And I won't leave until you come downstairs

So keep your head up, keep your love
Keep your head up, my love
Keep your head up, my love
Keep your head up, keep your love

And I don't blame ya dear, For running like you did, all these years
I would do the same, your best believe
And the highway signs say we're close
But I don't read those things anymore, I never trusted my own eyes

When we were young, Oh oh, we did enough
When it got cold, Ooh ooh we bundled up
I can't be told, Ah ah, can't be done

Keep your head up, keep your love
Keep your head up, my love
Keep your head up, my love
Keep your head up, keep your love
Head up, love
Head up, love
Head up, love
Head up, love
