E (rundown to) B7

Walking is just too slow

I'm going back to the border Back where I'm better known Cause you ain't done nothing baby But draw a good man from home

When the moon peeps over the mountain Little girl I'll be on my way I'm gonna roll the highway, baby Until the break of day

Oh give me one more kiss darling
Ooh ooh, Just before I go
Cause when I leave this time little girl
I won't be back no more

Well, it's so-long, so-long, baby I must say good-bye I'm gonna roam this highway Until the day I die.

I've got the key to the highway Little darling billed out to go I'm gonna leave here running Walking is most too slow
