

Nobody Wants to be You

By Dave Baldwin in the 2018's

C **Em**
Nineteen years I've been on my own
C7 **F**
I'm getting tired of being alone
Fm **C** **G** **Am**
I've been looking for someone new
Dm7 **G6** **C**
But nobody wants to be you.

I've met a lot of women in that time
Starting to feel past my prime.
Thought I'd have found somebody new.
But nobody wants to be you.

Dm7 **Em7**
I don't know why you left that day
Dm7 **Em7**
Don't understand why you went away
F **Em7**
I didn't have a chance to say
Dm7 **G**
Why I needed you to stay...

I still see you_ in my dreams
That's the only place anymore it seems
I'll never find somebody new
Since nobody wants to be you.
Nobody wants to be you.
