

Things We Used to Do

D **A7** **D**
I wonder what you're doing tonight?

D
Watchin TV with the kids

A7
Listen to the neighbors fight.

D **D7**
Maybe you met somebody new

G
And had them come over

D **A7**
To do the things that we used to do.

I remember what we did every night.
We'd fix dinner for the kids
And try to get them not to fight.
And when the evening's thru,
We'd put them both to bed
And do the things that we liked to do.

I remember what happened that night.
How mad we both were
When we got into that fight.
I'm sorry that I left you,
Sorry that I hurt you,
I miss the things that we used to do.
